

Minnesota Mental Health Clinics-Lakeville Clinic

Psychiatry and Psychological Services Next Door!

We wanted to let you know that **Minnesota Mental Health Clinics** have **opened a new clinic office in Lakeville!** We are part of a network of five mental health clinics in the metro area, and we have been around for over 22 years, so we have lots of experienced and dedicated professionals to serve you!

We are located at 18584 Joplin Avenue in the Fairview Lakeville Medical Center (on the southwest corner of the intersection of 185th Street West and Kenwood Trail).

MN Mental Health Clinics provide psychiatry and psychological services for families, couples, seniors, adults, adolescents and children.

We offer a full range of mental health services. Our services are covered under most insurance plans. Please visit our website for more information:
